AddCar rental Ukraine is a company registered in Kiev, Ukraine and is privately owned by Kristian Kirchheiner 95% and Helen Soroka 5%.

Mission

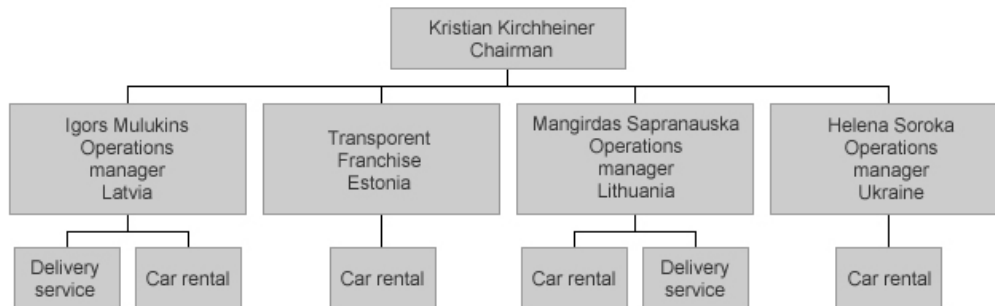

Our overall mission is to provide services to either customers of airlines or airlines thereby fulfilling the total travel experience. We will provide this service with a high degree of quality and professionalism, still maintaining the lowest cost. We engage in car rental, luggage delivery, parcel service and airport shuttle service.

Our car rental has the lowest car rental prices of any airport we are operating in. We achieve this ambitious target by having advertising on the cheapest cars, having a high degree of outsourcing and by having a very uncomplicated service. Our motto is "3 clicks and go."
